CHRIST HAMILTON CHURCH GENEALOGY

The Christ Hamilton Church Family community began in 1755 formed by Lutheran and Reformed German settlers in what was known as a union church. The centuries of unity have created a tremendous resource for families and individuals researching their ancestors.

The Genealogy ministry is here to share our historical records with the community. We will work together to provide a rich, historic legacy and heritage as we link the past with present for the enrichment of the future.

Our Mission

The Genealogy Resource Group was formed to help disseminate the vast historical resources we steward. If we can help you, please contact us at chulcgenealogy@gmail.com or call Christ Hamilton church office at 570-992-4085
